Bhavesh Vijay Hiray

ABOUT

I Bhavesh Hiray. Pursuing bachelors in computer application from Garware College Pune University. My interests are coding, and learning new technology related to computers also I have an interest in other things like chess, self-finance, etc. Also, I like to communicate with others on different topics. Seeking an entry-level opportunity with an esteemed organization where I can utilize my skills, qualities, and knowledge in the field of work and using it for the enhancement of the organization. As I am capable of adopting new things and getting into excellence with them
